

GELÄNDEPLAN | SITE PLAN

- A1** PV Cell and Module Manufacturers
- A2** PV Cell and Module Manufacturers | PV Production Technologies, Materials, Components and Accessories
- A3** PV Cell and Module Manufacturers
- A4** PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies | Off-Grid Power
- A5** PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies | Off-Grid Power | PV Mounting Systems | PV Tracking Systems
- A6** PV Mounting Systems | PV Tracking Systems
- B3** PV Inverters | PV Monitoring, Measurement & Control Technologies
- B4** PV Inverters | PV Monitoring, Measurement & Control Technologies
- C1** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services
- C4** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies
- C5** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services
- B0** Energy Storage Systems
- B1** Energy Storage Systems
- B2** Energy Storage Systems | Battery Manufacturing Technologies, Components, Testing | Hydrogen, Power-to-Gas, Electrolyzers, Fuel Cells
- C1** Energy Storage Systems
- C2** Energy Storage Systems
- C3** Energy Storage Systems | Battery Manufacturing Technologies, Components, Testing
- B6** Charging Technology and infrastructure | Electric Mobility | Mobility Services | Solar Carports and Bikeports
- C6** Charging Technology and infrastructure | Electric Mobility | Mobility Services | Solar Carports and Bikeports
- B5** Smart Grid | Grid Infrastructure | Grid Management | RE Monitoring | Controlling | Grid Integration | Procuring | Decentralized, Renewable Energy Supply | Energy, Load and Flexibility Management | Electricity Trading | Energy Services
- C5** Smart Grid | Grid Infrastructure | Grid Management | RE Monitoring | Controlling | Grid Integration | Procuring | Decentralized, Renewable Energy Supply | Energy, Load and Flexibility Management | Electricity Trading | Energy Services
- Outdoor Area** Intersolar Europe | ees Europe | Power2Drive Europe (incl. Test Drive) | EM-Power Europe

- 1** ees Forum | Incl. Trade Press | C2.230
- 2** InterBattery Europe Showcase | C3
- 3** Trade Press Booth EM-Power Europe | C5.420
- 4** Joint Booth „Innovation – Made in Germany“ | C5.274, 280
- 5** Start-up Stage | C5.374
- 6** Start-ups @ The Smarter E Europe | C5.170, 171, 180, 270, 370, 380, 470, 480, 560, 570, 650, 660, 750, 760
- 7** Power2Drive Forum | Incl. Trade Press | C6.450
- 8** Green Hydrogen Forum | B2.550
- 9** The Smarter E Forum | Incl. Trade Press | B5.550
- 10** Test Drive Check-in | B6.440
- 11** PV Manufacturing Stage | A2.A09
- 12** Intersolar Forum | Incl. Trade Press | A3.150
- 13** Test Drive
- 14** Special Exhibit Agriwalltacts
- 15** Press Center The Smarter E Europe

Allgemeine Information

- General information**
Betrieb ist veranstaltungsabhängig
Services vary according to event
- Eingang Entrance
 - Parkhaus West Multi-story Car Park West
 - Parkplatz Car Park
 - U-Bahn Underground
 - Ladestation Charging unit
 - Handyladestation Mobile charging station

- Linienbus Public Bus
- Flughafenbus Airport Shuttle Bus
- Taxi
- Imbiss/Café Snack Bar/Café
- Biergarten Beer Garden
- Restaurant (with service) 1st floor
- Restaurant (self-service) 1st floor
- Food-Truck

Besprechung / Konferenz

- Meeting / Conference**
- Konferenzräume (1. OG) Conference Rooms (1st Floor)
 - Besprechungsräume (1st Floor) Meeting Rooms (1st Floor)

Service

- Backwaren Pastries
- Briefkasten Mailbox
- Erste Hilfe First Aid
- Fundbüro Lost & Found
- Garderobe, Gepäckaufbewahrung Cloakroom, Luggage Check
- Geldautomat ATM Cash Machine
- Information
- Kiosk
- Sicherheitszentrale Security Headquarters
- Wickelraum Babycare Room

Service-Einrichtungen am „Atrium“

- Service facilities at the „Atrium“**
- Aussteller-Servicebüro Exhibitor Service Office
 - Raum der Stille (1.OG) Prayer Room "Room of Silence" (1st Floor)
 - Messeshop
 - Trade Show Supplies Shop
